“ *Johnnie and I attended Anne Chesnutt High School together. I remember us being among the shortest one to go there. I thought of him about a month ago when I selling scrap metal at Walls on Tolar Street. I remember that bus used pick up the Bethunes including Ruby and George. Rest in peace my brother and our deepest condolences to the families.*

“ George & Carline Bethune  
For My Brother; Johnnie Boy  
No sadness can compare  
To this, my precious BROTHER  
But today the choirs of ANGELS sing  
To WELCOME in another  
There is no one else on EARTH  
So SPECIAL as you were to me  
I HOLD onto you FOREVER my BROTHER  
In my HEART & MEMORY  
We shared something so special  
A BOND so deep and TRUE  
NOBODY else could ever male me  
SMILE so well as YOU  
I know this is not the END  
Rest peacefully MY BROTHER, MY BEST FRIEND.....

KEEP ON LOVING ONE ANOTHER AS BROTHERS & SISTERS

“ My brother, my brother there are so many memories to share. 1 in particular that we both could still laugh about, was the time, Johnnie and I were riding together and I stopped by our nieces beauty shop. Our great niece wanted to ride with Us. She was about 7 or 8 years old. She was a talking sensation, she really got on Johnnie's nerves. We rode around for several hours, went back to the shop. Johnnie thought I had left our niece but she was laying down on the floor. He was saying how glad he was that I had left her, and how she just talks too much etc a few mins later she popped up like a jack in the box and scared him. We got a good laugh from that, from that day forward he said that he would make sure to check his back seats before getting in his vehicles. Or the time when my son was a toddler he had a favorite pair of timberland boots that were too small, Johnnie cut the tops of the boots away so that Omar could continue wearing those shoes. I could write a book about you, Johnnie and it definitely would hit the best seller charts. You will be missed and were truly Loved. Give mama a hug from all of Us. Rest In Paradise 🙏🙏
