“ *I would like to extend my deepest condolences to the family of Ms. Johnnie Mae. She was a joy to be around and she always had a nice word to say to my husband and I when she would see us at church. Her church family will miss her greatly. I pray that the family will cherish the memories that were shared with her down through the years.*

*Sincerely,

“ *This woman will be truly missed. I loved her as a big sister. The nickname for her was "mama MAE". I was introduced to her through my daughter, Laquish Kelly. At one point my daughter told me I stole her friend and I guessed I did because she became a real BFF. My family Willie, Laquish, Alcine, Tori and me will miss her. My she Rest in Peace*
