Tribute Wall

JW

“ Sending condolences to JoJo's family. She was my first roommate at UNCW. We had many good times and we grew together! Know that she was always a good friend to all who knew her. I pray that God gives you all strength to carry on in her memory. She loved her family very much!

“ We met in college during Social Work class. Though you were older than I, we just clicked. We made our schedules so we could be in the same classes until we graduated. I met your family, you met mine. You use to come to my dorm room, and I would flat iron your hair. You were there for the milestones. You were my friend. After we graduated, we didn't speak as much, maybe every couple of months, but it was like we were never apart when we did. I just seen you 3 weeks ago, didn't know that would be the last. I know you are rejoicing to be with you mom again. Rest in Heaven my friend.

“ Jometria and I were students at UNCP in the MSW program. I was honored to work with her on a project for our diversity class and had the pleasure of meeting her wonderful family. She was a jewel who loved the Lord and was committed to serve in every capacity. Rest in peace my colleague and friend. Min. Zavery L. McDougald

“ I was Jometria was a student of mine at UNCP, I taught her when she was working on her BSW and when she completed her MSW. I have always felt a special connection to Jometria. When I saw her, she would always lift my spirit. I will personally miss her. Be encouraged.
