“ *Johnathan’s smile was contiguous and his hugs were filled with love and great respect! When he spoke there was a sense of reverence of his deep admiration for reciprocal love and affection!*

Ms. Kim and family, I am deeply grateful for the given opportunity to know and love Johnathan; I am also very grieved by his departure! I pray that God continues to provide you with strength and comfort for the rest of your life being without Johnathan’s physical presence!

Lord knows Johnathan will be greatly missed; however, his impact in my life was greater than words could ever express. Johnathan always embraced and treated me with the up most respect!

Johnathan was and is forever family, a true friend and special brother to my son! A wonderful young man who I found a peace in knowing that he was/is a part of my son’s life; the impact he made and left behind consumes my heart and mind of what is truly most important in life! Kim out of the many conversations we shared my beautiful sister... there is no words for this that makes sense; I am thinking of you and sending you my love and support! May you find comfort in knowing you are not alone!

Sincerely Cherry King ❤️❤️🙏🙏

“ My dearest friend Kimberly,
My heart goes out to you and your family as
you navigate this deep sorrow. I am still so
lost for words. Johnathan' spirit will always
live on in the presence of our Heavenly
Father. May it give you comfort and peace in knowing that John (1-
3) reassures us that, "Do not let your hearts be troubled. You
believe in God; believe also in me. My Father's house has many
rooms... I am going there to prepare a place for you.”

*I love you all!!
