“ I wish this was only a dream, but you are really gone. I miss you so much and I want to still say and do so much. Your life was of great value and too soon to end. Thank you for always making me laugh and being so full of life and adventure. You were a strong and determined man. This pain and sorrow is great but I know it's not too big for our God. I will cherish, think of you and love you for ever. I know you are resting in peace Jordan 'JJ'. Love Auntie Monique.
