

## Mr. Joseph Mial

May 5, 1969 - July 25, 2024

Joseph was born May 5, 1969, in Baltimore, MD. He was the son of Mattie Wright Palmer. He received his formal education in the Cumberland County School system.

Joseph had various jobs during his time on this planet. But loved working with his hands, in construction work. A skill set most of the men and some of the women learned from his grandfather and name sake Joseph Wright.

Joseph" in Greek means "God Will Give." Joe was certainly a giver who gave to all he encountered. Joe would match children's energy in such a way that even the parents would yearn for their relationship with their child to be that way. Joe was the life of the party from being the DJ to his rapping, dancing and finger snapping skills. When he entered a room, his energy was so joyful it would consume any gloom and soon everybody in the room would fall under his smiles overpowering spell. Joe loved a good conversation about all things, let's just say when it came to philosophy Joe was a king and it was obvious that he knew everything. As the youngest of five Joe will let the older discuss the matter and then he pops up to say "yo let's do that, WORD! A mama's boy to his core you could not find a more admiring loving relationship of a mother and her baby boy.

Joe leaves behind his mother Mattie (Demetrius) Palmer, brother Elliott Mial,

sisters Vida (Michael) Benjamin, Alberta Mial, Aunts Marilyn (Shawn) Whitfield, Joanne Walker Nieces and Nephew's Rosa Mial-Onesi, Michael (Janalee) Mial, Randall (Jessica) Benjamin, Sean Mial, Donola (Malik) Fisher-Price, Destiny Lloyd, Jacqueline Lloyd, Jaylen Snyder Brothers from other mothers: Kevin Bell, Lamar and Tommy Marshall, Ralph McNair, Lois Proctor, Don Jones, Don McNeil Great Nieces and Nephews Rontel Mial, Michala Benjamin, Maleek Mial, Gregory Benjamin Jr., Zion Benjamin, Tyre and Ty'relle Benjamin, Israel Benjamin, Bella Benjamin, Brynlee Benjamin, My'Vida Benjamin, Malachi Benjamin, Nylah Benjamin, King Mial, and a host of family and friends
