“ *I will always cherish this memory of my Aunt. She stayed in delivery with me when I was having my one and only child. Her hours was 3-11pm and at 10:30pm she said to me... You know I get off at 11:00pm...so you better hurry up and have this baby....she was born at 11:12 pm. Love you always 😊*

“ *Please accept my condolences, I have not met the family personally however I was very sorry to read that Josephine Davis fell a sleep in death. When death separates family members, such great loss can result in deep sorrow. Life is so tender, so fragile, so very precious. Josephine Davis has no doubt left behind a thousand moments that will live in your heart forever. Remember that "God is our refuge and strength" (Psalm 46:1). Praying for you and your family during this time Be Strengthened, Blessed & Encouraged*
