“ *Thanks mom for all the support and memories you gave us through the years. You always encouraged us to do our best at whatever we wanted to do. I know you are with dad and Dave now watching over the rest of us. We will love and miss you always*

*Mom was always one of a kind, she supported us and made us smile. I have memories of her in Atlantic city given her money to play to walk over and she was betting 1 cent. I was wondering in why she didn't need money. The funniest thing when I asked her if she needed money she told me I'm good. She started with \$20 and had \$19.95 and she had a hit thought it was jackpot she won 45 cent*

“ Mom was the greatest mother anyone could ask for. I will cherish all the memories of our trips. When I'm at the casino I'll always have you by my side.
