“ *Sending our love and condolences to the Rice family at this time. Mother Judy will always be apart of our lives. We will always remember her laugh, her funny faces, her honesty, guidance, and love she showered on us. I still to this day use a quote I heard her say, "You ain't got to go far to see the show!" I will always remember how she was up to date on pop culture quotes. From "It's going down!" To "You must not know bout me! To the left, to the left!" I know she's in Heaven smiling down on us right now. We love you Mother Judy. Thank you for loving my family with all your heart. Love Josh, Tahara, Timothy, Jamila-Michelle and Cali-Amour.*

“ *My sincere condolences to the family. The loss of a loved one grieves the heart. Our Heavenly Father knows your grief. As a loving and caring Father He promises to comfort and soothe those who are broken at heart and crushed spirit. (Psalms 34:18) May you find comfort and hope in God's promise of a day when you will reunite with your loved one again. (John 5:28,29)*
