“ Kameron, it is a shock to hear of your sudden passing. I am reminded of your kindness and huge heart. I admired your intelligence, intellect, and how much of a gentleman you were. Thank you for being a friend to so many, including me. I wish time allowed for everyone to reunite and reminisce about all of our time at CCECHS. Now that you take your rest, please take it well and may the good that you poured into those close to you be given back to you in Heaven. RIP, Kam.
