“ I send my condolences to the family of Karen. My heart was saddened to hear of her passing. We meet through ATR Life Coaching last year. I found Karen to be a sweet and gentle spirit and I know that she will be missed by many. May she rest in the loving arms of our Lord. Peace and comfort be added to family and friend today and forever.

*I loved Karen, and considered her as a friend for life. We were good at picking up the phone at any given time and calling the other for a quick get-together or a meal or a movie.... We dreamed together about starting a business of some kind, or pursuing our life goals. She recently accomplished several of those goals and I am so proud of her! I loved our talks about life lessons, and stories she shared about her Mom growing up, and the tough love she had to give to Myles. ~ It was difficult for her, but she wanted him to be prepared for life, and the "real world". She was a great listener, and always gave the best advise. She had a way of making the world stop long enough for me to catch my breath, and get back to it with a renewed spirit. She was special, and I count my life richer for having known her for 15 years. She will remain in my heart and in my mind forever..... I'll miss her presence on this earth, but pray I feel her spirit alive within me and within her family in days to come..... God Bless and comfort her family, and may their pain evolve into empowerment to carry on Karen's legacy, and philosophy on life..... 'Cease the Day'.  
Warmest Regards,  
Denise*
