

Master Karter Christopher James Wimbrush

June 8, 2023 - October 17, 2023

Karter Christopher James Wimbrush was born in Fayetteville, North Carolina at Cape Fear Valley

Medical Center to (Justice Mobley) and (Jaquan Wimbrush).

Karter was a special angel sent from heaven above. He loved to be cuddled by his mom and dad.

He loved to be swaddled tight so he could fall asleep for hours to thunderstorm sounds. He loved

to be rocked by anybody who would hold him, even the nurses. Karter shared a very special

bond with his Grandmother, Leah who visited Karter often. Karter always recognized and

responded to her voice and presence in person and video calls. Karter also had a strong bond

with his Aunt Destiny, his other birthday twin. He loved to stare and fall asleep to his fish tank

and green solar lights every night. Anyone in Karter's presence loved him. He was famous on

the step-down unit and the pediatric ICU floors for his curly, beautiful soft hair. The nurses loved

to wash his hair and apply Cantu hair lotion which became Karter's signature scent, Karter was

handpicked from Heaven and had a sweet, subtle, and calming aura that let

us know everything
would be alright even in the midst of his own storms and health challenges.
He was a strong,
resilient soldier. He beat obstacles and challenges through-out his 4 month
stay at Duke
University Hospital.

Karter is preceded in death by his maternal Great Grandfather Valium Mobley,
