“ Hello to all. My Name is Bertha and I live in New Jersey.

I met Katie in 1986 when she lived in Baltimore and I in Jersey. We were both in International Masons & O.E.S. We became as" sisters "and traveled around the country together. She was adopted by my children as" Aunt Katie." They loved her dearly, and she loved them.. As we were "best friends", I would pack up the kids and to Baltimore we would go. Oh the fun that we would have. Being from the north what did I know about Chicken Pastry? Katie taught me .I call it Chicken and dumplings. Oh could Katie make a cake. In fact she could cook anything. My children would visit her when school was out. Her and Uncle Freddie always opened their home to us. She would ask me to be on programs at Fountain Baptist in Baltimore, and 1st Baptist in Lumberton. I met and loved" Mom" (Katie's Mom)Sister, Brother, Cousins, Nieces and Nephews and their children. When Katie relocated to Lumberton. She tried to get me to move down there, but where would I be today with her gone. Oh I remember when my 1st Grand daughter was born, Katie was asked if she would be the Godmother. Of course she said " yes" Well that day was one the sales clerk at Belk & Co,will always remember. The discussion of the items for the crib. She journeyed up to Jersey and had her Godchild Kenya Baptized and presented to the Lord asking Him to keep her covered with His Blood. Katie loved Kenya and she loved her. We had so many good times, and yes we shared some tears. Freddie, Momma, Dudley,Vice Lee, May Helen, Val, Mary Alice and so many more have gone on before her. I will always know where she has her final resting place, I picked it out when we buried Momma. As we both were blessed to see our 70's and 80's and our health began to fail,we stopped traveling so much, I worked for the airlines, but because of health had to cut back flying. I Shall always remember the last conversation I had with Katie, before she went back to the hospital the last time, I told her if I don't see you on this side, waite for me on the other side. I be there. Yes I shall always remember the good times we had and get joy from the memory of them...some I will laugh my self sick as I did today talking about her dog in Baltimore. I thank God for

*Memory and for MY SISTER AND FRIEND ,THE LATE KATIE
ALSTON*
