“ I was honored to work with Keith at Headquarters, U.S. Army Pacific, G-8, Fort Shafter, Hawaii. Keith served as a Budget Analyst in the Exercises Division, providing vital funding support to USARPAC exercises in the Pacific. He later served as a Cost Analyst in the Cost Management Branch. He worked hard to validate cost estimates, demonstrating his stewardship by finding ways to reduce costs. He confidently presented his findings to me and I relied on his recommendations. Also, his enthusiasm in building office camaraderie was contagious, especially during special events like Organization Days and the G-8 Christmas parties. I enjoyed our numerous discussions about college football and I will always remember his smile. Keith was an outstanding Financial Manager, Soldier, and a friend to many. I am grateful for his service to this Great Nation. My deepest condolences to Keith's family, friends and loved ones. Praying God's comfort and strength during this time.

*My brother I am at a loss of words, you were truly a down to earth person. We spent time at Ft. Bliss together, same unit, lived in the same barracks. I do not know of one person who would have something negative to say to you. All I can say is that you was always professional and a great person. You will be missed but I will see you again. You are a Soldier for the Lord now.*
