“GOD, please bless those who mourn the death of Kevin and feel that with this loss their lives are incomplete. Bless those who mourn, and fill these empty hearts with pleasant memories, the sound of laughter, sunshine and happier days. Bless those who mourn, and heal their brokenness with your gentle touch, that they might know shalom, wholeness, and peace. Kevin was a childhood friend with my brother, David, they remained friend through life. I'm grateful for the friendship he extended to me as well. His smile I'm sure will be missed. My condolences to his loved ones.
