“ I was a cashier at Bistro at Womack Army Hospital where I worked occasionally at the Grab and Go which was located near the Mailroom. My fondest memory of Kevin is he loved the Chicken And Wild Rice Soup. I made sure that when it was on the menu I made sure I let him know. He would come in first thing and purchase at least 6 cups at one time. One day he even purchased a whole kettle and swore they put ‘crack’ in that soup.. He always made me smile. I have retired and was totally grief stricken when I learned of his passing. Rest in Paradise Will, you will be sorely missed
With sincerest sympathy,

“ Molly your pain is my pain sis. I love you and thank God for the times we had together. You can reach out to me anytime. I do pray you will come spend some time with me as a getaway. All you have to do is show up.

I remember the times back at Fort Bragg. He loved you and I pray you continue to embrace the love he left with you. As you already know "our" God is faithful and He will get you and the family through this situation. I love you sis. Prayers.
