“ I have known Keyani for many years. The son I didnt have. When we would be out in the community people thought he was mine. I let them think that because I felt like he was mine. Keyani will be greatly missed by me and my family. When we had cookouts, went for a ride, he was also included along with my family. When I would go to any of my family member house without Keyani, they would ask where is Keyani? Keyani love to laugh. If someone would fall or get fussed at, He would laugh real hard. He also love to eat and love music. Keyani was a sweet, loving, and happy person. Love You KEE!!!

“ I want to send my deepest sympathy to the family of Keyani Mikal Bilal.

*The bible tells us we can gain comfort from God, even during times of sorrow. We pray to our heavenly father for help to cope with the sorrow felt from the death of a loved one.*

*By prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus. Philippians 4:6*

*May you find comfort by relying on our heavenly father and learning more about the blessings of God's kingdom.*
