“ 2024 took some people out of our lives that we didn't expect to be gone at a early age. Khaleel was like my son while we were in Israel and once we came back to the United States we still keep in touch. I told that I wanted to see him in 2025 but not like this. This hurts 2024 you took two sons from me. 2025 you owe me victory in Jesus name. To the family God is good my condolences to you. God's gifts are the people in our life!!!! Inshallah
