“ Teresa & family, it saddened me to learn of the loss of your son. I can only imagine that you are going through something indescribably painful and agonizing, but I also know that God is magnificent and is bigger than our biggest pain when unexpected times like this come. I pray that the light of God’s love will shine upon you and your family as you face this dark season in your life. May the peace and love of the memories of your son comfort you in the coming days. You are in my thoughts and prayer. Love Asia W.
