“ In loving memory of our brother/ friend Larry Blount. Larry's always greeted us with a smile a wonderful conversation. He never said good bye when our conversations ended... He would tell us “hang on in there Virgil,”and Bert take care of yourself.

We witness the love and care Larry gave his parents, the love shared between Larry and his daughter Sharon, sister/Mrs. Betty and his entire family. We became friends and his friendship had a profound impact on on our lives. Though not bound by blood he was our family.

We thought of Larry today and that is nothing new. We thought of Larry yesterday and we will think of him tomorrow too.

What it meant to lose you only those who love you know. Remembering you is easy. “Hang in there Larry” . It's a heartache of losing you, that will never go away.
In loving memory of our brother Larry Blount
