“ It is really hard accepting this. I have known you since grade school. I remembered your name because I associated it with the soy sauce my mom bought (La Choy). You may have threatened bodily harm on several occasions if I ever called you that again! I loved that about you. You were always straightforward, feisty, yet caring. You always checked on my mom and us when you can in town. I could always count on you having a good story we could share a hearty laugh together. I will miss you my friend...my sister! I will always cherish our relationship. I am honored to have spent time growing with you Toye. I love you big Sis (only by a couple months...another inside joke between us)!!!! Gerald Heavens

“ To my beautiful, funny and always keeping it real sister-friend. You will never know how much of a blessing it was to have you in my life. I am beyond heartbroken. I keep finding myself wanting to call you to vent or talk. I keep finding myself wanting to forward you something silly and wait for your reply..usually the same “ ChuChu that S@&t was funny as h#%”. Rest In Heaven my friend, No more pain, No more sickness, you got your wings my love. ( if anyone wants to bless the family with a monetary gift, you can cashapp Toyes husband, Mr. Shiva Vereen at \$svereen)
