“ Mike I will always continue to love you with all my heart. I will miss talking with you and the way you would call and say hi my sister, how are you today? We shared so many conversations and memories of our childhood growing up together. The love that our parents had for us through happy and sad times. I knew you loved your baby sister and your baby sister love you. Thank God you knew about God's saving grace and mercy.
Rest in peace my brother and I pray we will see each other and our love ones in glory one day.
Love you so much,
Gail.
