Dear Leroy,

You gave no one a last farewell, nor did you ever say good-bye. You were gone before we knew it and only God knows why. A million times we will cry. If love alone could have saved you, you never would have died. In life we loved you dearly, in death we love you still. In our hearts you hold a place no one else can fill. It broke our hearts to lose you, but you didn't go alone, for a part of us went with you, the day God took you home. We will meet again someday, and I know you're in a better place. And I will be selfish to want you back. But I thank God he made you a part of my life while you were here on earth.

With Love,

Christy Worley
