“ *My memories of Mrs. Lessie stems from my childhood of being around the family to an adult hood of being around her in church. She had a humble spirit and was an encourager. Mrs. Lessie loved her children and grandchildren. She was a well sought after pianist in Smithfield N.C. . I recall her going from church to church playing .She didn` t charge not one penny for her services and did it with a smile. She started choir rehearsal on time and you stayed until it was right. I` m so thankful to God for the opportunity to see Mrs. Lessie a few weeks ago. My prayers and God` s blessings to You.*
