“ Uncle Lewis. I truly miss you and the times we talked and enjoyed sharing what was happening in our lives, the political arena, and the news. As I reflect on our times together, I recall the times we walked--I was actually slowly galloping beside you because of your long legs--to school together: you going to Fayetteville State and me going to Washington Drive Junior High. We talked and laughed and I also felt so protected in your presence. I will always love and remember you. Love your niece, Millyben--Linda J. Clark-Gladden
