Ma, I love you so very much. You have always been spiritually connected to me and you always say “Who loves you baby” and I would say you do mama. Your voice would make all the stress in this world melt away. You have been an anchor in my life since I was a teenager. You have taught me so many lessons and I am eternally grateful. May God keep you. I know we will see each other again but I want you to know I love you so very much. Roshon Britt
