“ *I knew Linda from the post office. She was such a sweet person, always so helpful. I will miss her smiling happy face when I go every week. I will miss her so very much! I'm so glad that I would give her a hug ever so often. She was a precious person! I didn't know of her passing until after her service. I am saddened that I didn't get to pay my respects to her family. Although I'm disappointed that I won't see her again on this earth it is comforting to know I will see her again in eternity where she is happy with Jesus in Heaven!*

“ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

“ I met the wonderful Oates' family many years ago. Linda and I shared laughter and great times together. She was kind, beautiful and possessed a great sense of humor! I loved her then as I love her now. Time and distance do not erase what is etched in our hearts. My deepest sympathy to the Oates' family during this time of bereavement. May there be some measure of comfort and strength in knowing how deeply others care. May God wrap His arms of peace and love around you. Rest in Victory with our Savior, dearest Linda.

“ *I remember Linda for her warm smile and quiet demeanor. When we first met, she had invited my friend and me to a post office social event. She was the perfect hostess. Later she served together on the Lewis Chapel Young Adult Usher Board. She was always gracious.*
