“ Ms. Linda Powell, where do I begin. Linda and I were next door neighbors when she lived in Raleigh. Linda and I were neighbors for only about six years, but the friendship that we developed you would have thought we had known each other all of our lives. Linda was without a doubt one of the most real and loyal friends I have ever had. Linda was always there for me, if she had it I had it and if I had it she had it. I will always be thankful to have had a friend like Linda Powell. When I think about Linda the thing that always stands out to me is how much she loved and was devoted to her family, her mother, sisters, brothers, nieces, nephews and most of all her children. Nothing meant more to Linda than her children and her grandchildren. Shacoyia, Steffany, Brandon and Mae Mae you all had a great mother so just always stay together and keep loving each other like she would have wanted. It will be hard but she built you all strong so as long as you got God and each other you will be fine. The Powells are a very close family. something that I always admired about you all, so I know this is going to be extra hard losing Linda. I love you all and my prayers are with you all. Rest in Peace my sweet beautiful friend.
