“ *Linda and I were from the last class of Armstrong High School. She was always fun to be around. When I called her about our 50th reunion, she was excited. We had a great time catching up. Even in her illness, her spirit of kindness and friendship were still present. Bernadette, may God continue to bless you to know that you are greatly loved by Him and Linda. Therefore, you can go on to live for Him with your special angel watching over you.*
