“ Kayla,

I'm so sorry for your loss your mother was a great friend and co-worker. I remember the first time I met her was at the Bowling Alley where she worked and then we worked together at Progressive Savings & Loans. She was such a pleasure to know and to have a friendship with. May the lord comfort you through this difficult time.

John 14:1-4 "Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."
