“ *Eurice, Shelia and Family,*

May you find comfort and strength in knowing that you are in the hearts, prayers and thoughts of those who love you. Your mother learned about the strength she never knew she had and the joy she never knew existed until she became your mother. But with this, she poured lovingly into each of you; her children and family. It lives and will continue to live thru each of you. So, now may that Love of the Lord surround you, keep you, and bring you peace and comfort.
