“ *Please accept our sincere condolences from the Mt. Carmel and St. Luke Church Families. A bright light in your family has found rest in God's eternal care. Oh how we loved to fellowship with Mother Louise Blackmon. One by one our older saints are leaving us but we don't sorrow as one that hath no hope. She's on the other side with Jesus, the saints, and a great heavenly host. We're praying that God grant comfort to the family during this time.

“ *Although I never met Mrs. Blackmon I had the privilege of working with her son Shawn for a number of years. Knowing the kind of friend and co-worker that he was tells me what kind of mom that Mrs. Blackmon was, and indeed what kind of dad Mr. Blackmon is. Hugs and prayers for the family at this time of your loss. I pray that the good memories and smiles and laughter around your thoughts of your mom and knowing how she loved you will be with you always.* ”

“ My deepest condolences to your family during this time. Mrs. Louise was an amazing woman, and she will truly be missed. The memories over the decades will always remain so clear...from watching her hang clothes out on the line to standing under the carport with her hands on her hips with a smile on her face. Our last encounter was only a couple of months ago and she was full of laughter and joy. Sending you all prayers of peace and comfort at this time.
