“ A heart of gold a smile that will light up a room was Ms. Lucy! As a child Ms. Lucy babysat me while my mom worked at night and the warmth of her home and the food she fed me was all love. I never as a child would like to stay with anyone for long because I would cry but not at Ms. Lucy house. The love she showed made me comfortable and I never forgot that. Thanks Shavagas for sharing your grandmother during the time she was needed. She was a great role model. May she rest well 🙏
