Tribute Wall

RS

“ *My dad would take me fishing, taught me gardening, auto mechanics, but most importantly, to serve people selflessly and put God first, among all things. I will sorely miss our talks and his vast depths of wisdom and common sense approach to day to day challenges. Greatest man I've ever known. He will be sorely missed. My rock and my foundation. I will love you always and forever daddy.*

Your son,

Ronald McKoy
