“ Lydia, I'm so heartbroken on so many levels. I just didn't see this coming at me Sister... For 46 years we had our sister bond. Not being able to be with the family in a physical aspect is ripping me apart. Not being able to say my final goodbye to you is devastating. At any rate. To my family. You all have my deepest and sincere sympathy. I will always be a phone call away.

“ I worked with Lydia we became good friends their. So many at the job send our sympathy. You lost a great mother aunt cousin. We lost a great friend. My prayer to the family. Many talks we had about our life and know regrets. I never said goodbye and never will because we will see each other again. She just beat me their. Never forget our laughs so many Lydia she has touched with her charm. I continue to keep a eye out on her client Ms. Rose she misses her the most. To the family keep the good memories those what will keep you going. She really was a friend to us here at Carolina Inn. We will always keep her in our heart. Sip Lydia love Tonia
