“ Mrs Rosemond, I don't know where to begin. My heart is so heavy with pounds of pain. You have been the most rewarding friend anyone could ask for. Your brilliant smile, and caring touch would light up any room. You inspired, and motivate many especially in the education field to encourage students to challenge themselves. The last time we talked a couple weeks ago. You said I'm retiring this school year. I was so happy and excited. I said ok, I'll wait and see. With you being retired we can have our shopping and lunch dates back ,and she just laughed. I was looking forward toward your retirement. Unfortunately,God had other plans. He called you home to rest my dear friend. He saw that you was tired and needed rest. I called you Saturday,didn't get answer, I left you a joke on your phone. I called you Wednesday. I said to myself she must be really busy. To find out you had passed away broke me 😞. God, Thank you for the opportunity to have had Mrs Rosemond in my life, 15plus years. I'm going to missed the long talks, about our families. Especially when you talk about your Princess Dakota, and how much she has grown up. I remember when she was born. I remember saying to her, time is move on, especially when she would talk about the grands which was the love of her life 💕 a long with her children. I would smiled and laughed with her, and bragged about mine as well. Those are special moments I'm going to miss. I'm truly grateful and appreciative to have had her in my life all these year. Mrs. Rosemond, You are my "HERO" RIH MY FRIEND..I will always have you in my ❤️. Rainey

“ Mrs. Rosemond was such a wonderful and joyful person. We shared so many memorable moments as coworkers at Seventy-First High School. She always had a way of brightening up my day and adding laughter. She was one of those people who I always looked forward to seeing each day at work. We always greeted each other with a big happy to see you smile whether we were passing in the hallway, attending meetings, conferences or just friendly classroom visits. I extend prayers and sincerest condolences to her family, friends, and Falcon family! May God cover you as you navigate through this difficult time. 🙏

“ Mrs. Rosemond was one of the most dedicated teachers I've ever encountered. Part of her daily mantra consisted and resounded of here merely wanting students to be and become better and the best versions of themselves. She will truly be missed each time I walk past the 600 hallway, attend a CTE meeting, or go to retrieve mail from my mailbox in the teacher's lounge. Your family was blessed to have you in their lives, as were we. May the peace, love, and consolation of God remain with your family during this time and as you rest in eternal peace.

“ Mrs. Rosemond was absolutely one of the most dedicated teachers I've ever encountered. Part of her daily mantra resounded of her merely wanting students to do and be better versions of themselves. This became evident as she remained on as a steadfast educator, mentor, and co-worker friend. She and her "lessons in life" will definitely be missed each time I pass the 600 hallway, attend a CTE meeting, and/or check my box in the teacher's room in the main office. Your family was blessed to have you, as were we. May you and your soul rest in eternal peace and your family forever be consoled.
