“ I called you Margarita, truly a kind soul.

*My heart is heavy and I will forever miss our talks about gardening and holiday decor. Oh how we would get so excited sharing our ideas. We embraced the true joy of family and making our home a place for quiet time and enjoyment.*

*No more worries and stress of this world for you are truly resting in peace my friend. I will see you again and we can truly enjoy our beautiful garden in heaven together.*

*I whisper these words to you Margaret—Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you (Margaret). I go to prepare a place for you (Margaret). And if I go and prepare a place for you (Margaret), I will come again, and receive you (Margaret) unto myself; that where I am, there ye (Margaret) may be also.*

*Missing my Margarita—Shonda*
