*Margaret, my heart hurt knowing that you have transition to be with the Lord. I understand you are at peace. No more pain, no more sadness or sorrow but my selfish side wants to hear your voice and listen to you laugh one more time. I thank God for causing our paths to cross at NCCU and for giving me a life-long friend. I thank God for you. You will always be in my heart. Rest well my friend and know you will be missed on this earth. To God be the Glory now and forever more
Love you Sis.*
