“ *May the finally be assured that the Creator will provide the needed strength to cope with this loss. He promises that he will help us to carry this burden and provides a hope that you can look forward to the dead being restored to life. Your loved one can be among those ones awoken from the sleep by God's own son, Jesus Christ.*

“ *The pain of losing a loved one can seem unbearable. But take courage in knowing that the family does not have to go it along. At 1 Peter 5:6, 7 assurance is provided that God will support us. He invites us to throw all anxiety upon him because he cares. How encouraging to know that He takes note of your situation and will be there to sustain and strengthen you. I hope those words of comfort from the God of all comfort help the family through this time of grief. So sorry for your loss.*
