“ I like the family to know how sorry I am to read of Mrs. Ellison death. Nothing is more painful than to lose a loved one to death. but I hope that the family will be encouraged by the wonderful hope of the resurrection. by means of it the prospect of seeing your loved one again is promised. Jesus while alive on the earth not only spoke of the resurrection but performed three to provide a glimpse as to what he will do on a global scale in the future. At John 6:40 he tells who would be in line for a resurrection. As you meditate on that provision may you be comforted by the love and compassion of the Father, Almighty God and his Son, Jesus Christ.
