“ Dear Carter Family, The Williams Family sends deepest sympathy in the loss of dear Sister in Christ, Marie Carter. We will forever remember her kindness, hospitality, gentleness and love for family and the many individuals and families that she helped to add to the body of Christ. We should all take lessons from Sister Carter's legacy of love and service. God bless you all and keep memories of her alive in your hearts, minds and spirits. We will surely do that. “ I met Marie Carter in 1984. She was one of the most evangelistic people I had ever met. Everybody she met she tried to persuade them to come to Jesus. Many are and will be in the kingdom of God because of her. May we all anticipate the glorious reunion at the throne of God. JohnDavis Marshall & family

“ I remember when we first met, it seemed like we had known each other our all our life. Marie became my sister that day and my children's Aunt ReeRee! We were always together from morning church service going to each other's homes and then back to evening service, we traveled together to Ladies Retreats, trips with the youth, trips with the choral group (Voices of Unity) , and outings to local restaurants with the church and with just our family her grandchildren when they were younger and with my children long after that up until I left. We kept in touch whenever we had a birthday or if we just needed to have a good talk! We will miss all of that and your beautiful smile, sense of humor and your laugh, we will miss you ReeRee but we know that you have gone to let God enjoy all you gave us in heaven! We love you, Gloria , Tiffany, Michael , Jessica and your great neice ZaMayah(whom you met), and the three great nephews you never got to meet ZaMarion, ZaKel, and Dajon.
