“ I am gonna miss you sooo much Marie. You were my friend and like my sis. i'm so glad our last words were I love u sis the day before I heard u passed. May u be our angel in heaven now, watch over us. I feel comfort in knowing your no longer in pain. My deepest condolences to the family. I will cherish our memories of the past few months forever. We had good and bad times together and I will never forget the way we burst out laughing in the Walmart parking lot. I keep that day in my head all the time. You were beautiful inside and out and u were truly loved..
