“ *My prayers go out to my God brothers family. I grew up besties with fats and Paul .i loved this family. Ms Blanche took me on as her own. What I remember most about Mark he was so easy going but couldn't stand us kids coming in his room lol. He would kick us out daily. He was also nice to us and fed us when their mom wasn't home. i haven't seen him in years but I will never forget that smile and sweet humble spirit. To the family I love you and mark until we meet again ❤️🙏 Love Tamiko*

“ Sending condolences, love and prayers to the family. I have so many memories of Mark mostly as a youngster growing up with my children, who spent a lot of time at their house. His Mom loved children and was a second mother to mine!  
Mark was such a respectful young man, who remained that way whenever I saw or talked to him. We both shared a love for the Cowboys. When I visited Mark in the hospital a few days before his transition  
I didn't know it would be the last time on this side..but I know I will see him again  
He has received Eternal life
