#### We Miss You

We miss you more than anyone knows,  
As time goes by the emptiness grows,  
We laugh, we talk, we play our part,  
But behind our smiles are broken hearts.

*Hi , I am a friend of quez! I went to prom with him and many of his HS friends just found out he passed. The year anniversary is coming up and we would like to do something for him. Do you know how to get in contact with his family? Do you know what happened? Last time we spoke he was so happy and full of life 😊*
