“ Man do I miss my grandmother. From her blowing my phone up everyday to her making me laugh. She was truly a blessing in my life and without her impact in my life, I wouldn't be the man that I am now. I love you grandma!

“ *Oh how I thank God that I went with my heart and visited her, if only for that one last moment, she remembered me, sang a little tune at my request of her ability to Honor The Lord with that gift and she reminded me she could sing to The Glory of the Lord. Love and Miss You Pookie, May heaven gates welcomed you as you made your way to rest in Our Father's Arms.*
