Tribute Wall

DW

“ When a loved one dies the grief and pain can seem unbearable. many questions can arise in our minds. Death truly is our enemy as the Bible says because it robs us of those dear to us. The Giver of life understands your feelings and will be there to support and comfort you at this difficult time. When we cry out to Him he hears us because he understands our pain completely. May your family allow Him to support you. So sorry for your loss.
