“ To the family of Mrs. Mary, am so sorry for you lose, i did'nt get to the funeral because of my own illness. I was the former musician at Smith Chapel and she had blessed me with some beautiful pumps for church and some suits. She was who she was, she did'tn make no bones about the way she felt about issues of life. I learned to respect who she was and how she was about life. I pray that you the family can find solace in knowing that she was a strong, lady yes lady, a sassy dresser, and could wear the heck out of some wigs. I cared alot for Ms. Mary that was my buddy.
