“ *Ms. Mary was truly a sweet and special lady. Always smiling and always allowing that love light that was in her heart to shine brightly for others to not only see, but to feel. During the past year and a half that I spent time with her at Haymount Nursing Home visiting my mother and my aunt, her beautiful smile and joyful presence was such a blessing. She was like an enduring and endearing rose; she bloomed and blessed others, right where she was planted. May her precious memory always remain a blessing to her family and all who knew her. Rest in peace Ms. Mary, in the bosom of your Savior!*

“ Ms.Mary was a very special lady i looked forward to hearing come here girl every time I went to work. Or she would say what you doing get in here. I truly miss our early morning laughter and picking out her clothes for church. She had a style of her own and a smile that would light up a room. SIP my sugar foot. ❤️❤️

Ms. Mary had the most beautiful quiet smile that warmed my heart each time I visited in her room with my aunt. She was a sweet example of letting her little light shine. I feel like heaven is receiving a shining example of God's love. May the Lord comfort her family with His peace. From: Belvia Williams

Mary Shirley was one of my dearests' friends we've know each other since 1967 when we first started to work at Black & Decker and been friends every since. I would visit her at the home sometimes and she call on the phone. I will truly miss her. Mattie Smith
