“ To Mr. James Williams and family:

The strength of God is all you will need to endure without yielding. I have known you for several years and have found you to be a man of strength. You talked to the breakfast group several times about your love and your care for your wife, without a doubt you showed her love. Remember that and let that love go with you each and every and happiness will be yours.

“ *My mother-in-law will indeed be missed. I loved and cared for her just as I would have for my own mom. We have some great memories that we can look back on and for that alone I'm thankful. To my husband, sister-in-law and father-in-law, thanks for sharing her with me! The picture I have shared, is one of my favorites.... I'm truly gonna miss her.*
