“ *My Sincere Condolences!*
She was a beautiful person both inside and out.
I invited her to Friendship when we were both employed at FAST TRANSIT for the city of Fayetteville.
Once she attended she never left.
May God be with her daughter and her family as they lay her to rest.

“ *To Stasha and the Williams Family,
There are no words to truly express my sadness when you contacted me about your mother's passing. I will miss her calls, her funny sense of humor and wisdom. The laughter and shared stories of our time in the military, talks about the goodness of the Lord and life conversations, will never be forgotten. I pray that God wraps his arms around the family during this difficult time and continue to comfort each of you in the days ahead. She loved you Stasha, her grandbaby, family, church and country. May you continue to hold on to those beautiful keepsake memories of you and your mother. She will be missed.*
